PROPERTY DESCRIPTION

This property has many remarkable features, including over 40 acres on a less-traveled country road that is also just minutes to the sweet, historic village of Sheffield. Take the spiral staircase to your private Master suite or warm up by one of the two unique fireplaces. The wood floors are as shiny as can be and there are nice details about the house like a custom window seat, two decks, marble flooring in the partially finished lower level. There are incredibly beautiful mountain views, a small hunting cabin in the woods on the property and many acres of nature and wildlife on a road with an eclectic mixture of farms and upscale homes.
