PROPERTY DESCRIPTION

This is New England. The West Stockbridge village of Williamsville couldn't be prettier and is so rich with history and architecture. This house simply must be seen to be believed - meticulously designed and decorated by the resident artist. Fireplaces, exposed brick, gorgeous floors, fabulous kitchen. The grounds are breath-taking with Williams River frontage and seasonal views of Tom Ball Mountain. Add to that a beautiful, red two-story country barn that is in excellent condition, and a potting shed for the gardener in you. Just a short drive from the best Berkshire dining, shopping and cultural venues. It's a fabulous primary or vacation home (or rental) and offers colorful surroundings and an unrivaled charm that is the best New England has to offer. It's the kind of place you envision when asked "where would you like to see yourself in ten years?"
